Pâté Cake with Apricot Chunks

- Current available

Our delicious Pâté Cake is made from Pâté with Onion Preserve, covered with a layer of apricot pieces and then all wrapped in crispy puff pastry. Our Pâté with Onion Preserve has a coarse structure and the addition of the onion preserve gives it a surprisingly sweet taste. The extra layer of apricots makes this product a real treat for young and old alike. This pâté tart not only grabs the spotlight on the buffet table but is also an exclusive starter. It can also be served hot.
